

Baggage: size and weight restrictions - Norwegian

Norwegian

Check the hand baggage policy at Norwegian Airlines. Remember that the baggage dimensions are determined individually by each air carrier. If it is possible, choose a soft backpack instead of a rigid suitcase. It will be easier to adapt it to the requirements.

Checked baggage must also meet certain requirements. Check the permitted weight and size of checked baggage at Norwegian Airlines. The number of suitcases that you can take with you depends on the booking class or tariff.
