

Flight + Hotel - when to choose this package?

Not all **journeys** require a lot of planning. However, some trips are associated with the organization, what can be really time-consuming. The main reasons are difficulties with booking a flight and accommodation. A comfortable place, same date, transport and adjusted **arrival times**. Many things must be organized as well as possible.

Flight + Hotel packages can help you organize your **travel**. With the search engine, you can easily and quickly find **attractive offers** of flight and accommodation and book them with just one click.

When to choose the Flight+Hotel package?

For a longer stay in one place

The Flight + Hotel service can help you find flights and **accommodation** in your selected location. Using this service will definitely help you plan your trip and will also reduce some problems upon arrival: it will shorten the distance between the airport and the accommodation facility, it will help you adjust the time of arrival and the hotel day. It's primarily **saving time, money and nerves**. The perfect solution, for example for a holiday or a long business trip.

For short trips

It doesn't make sense to spend the whole week to plan a two-week trip. Using a search engine is definitely a better solution. You can find **the best flight and hotel** in a few minutes. The package is useful even in the case of a spontaneous journey when there is no time to plan. Reservation is confirmed with one click and you can choose from over 1.1 million **hotel facilities**.

For busy people

Not everyone has the time to look for and adjust the date of **flight and accommodation**. Especially, when the planned date is coming and there aren't too many places in hotels and guesthouses. In this situation, the best solution will be the intuitive search engine that can find **accommodation offers** together with a flight. The only thing that you need to do is to choose the best offer, make reservation and pay. This takes only a few minutes and can save a lot of time.

For inexperienced travellers

There's a first time for everything, including **flights with a longer stay**. People who don't have experience in organizing travel sometimes don't know what is important when planning a trip. They can use the search engine with special filters that help determine the exact location of the accommodation. Some filters often lead users to factors that are most important while **looking for accommodation**. An additional advantage is that after specifying the expectations, the offers are ready. All you need to do is choose and book the best one.

For thrifty travelers

If you don't want to pay too much, the best option is to **compare offers** and choose the one which falls within our budget. Such a possibility is guaranteed by Flight+Hotel packages. There are also some additional advantages, such as travel discounts, thanks to which you can book your stay and **save up to 30% of the total price**.

For those who like comfort

For some travelers, comfort is a priority from the beginning of the booking process until arrival at the airport on the way home. The Flight+Hotel package was created for such people. It guarantees a comfortable **searching for offers**, fast booking, accommodation in a convenient place and **comfortable accommodation**.

For those who like to have a choice

The service gives the opportunity to match the offer to all your requirements: from the **accommodation location**, through the type of place to the number of meals included in the price. The choice is big because we have 1.1 million facilities in our database. You can also choose **airlines** that we recommend, so we have an impact on the comfort of travelling.
